The background of the slide is a high-angle, wide-view photograph of the New York City skyline at dusk or dawn. The sky is a mix of deep purple, blue, and orange. Numerous skyscrapers are visible, including the Empire State Building in the center-left. The city lights are beginning to glow. In the top-left corner, there is a decorative graphic consisting of several parallel diagonal lines in shades of teal and blue. In the bottom-right corner, there is a small grid of white dots.
